This bill amends AS 16.05.791(b) by allowing a person aggrieved by unlawful obstruction or hindrance of hunting, fishing, or the viewing of fish or game to recover full actual attorney fees and costs of action to collect damages, fees, and costs. The Department of Law is unable to recall any lawsuits filed against the State under AS 16.05.790 however, this amendment may make fishers or hunters more likely to engage in litigation. If that were to happen, there would be a workload fiscal impact, but the Department of Law is not able to estimate what that would be. An actual award of fees and costs against the State would be requested in the judgments & claims section of the annual supplemental appropriations bill and are thus not included in this fiscal note.
